Rules for the dumpsters and roll-off containers

- Containers cannot be placed under overhead or low hanging wires or tree obstruction
- Don't overload containers – there will be additional charges billed
- Do not discard rubble, rocks, concrete pieces or dirt in a dumpster, these containers are for office and business trash only.
- You may use a roll-off container for rubble, rocks, concrete pieces or dirt but be sure to only fill roll-off container ½ way.
- Do not discard hazardous materials in the containers
- Do not discard ashes in the containers

A 72-hour notice is required to set up, remove or request service on dumpsters or roll off containers.

**Use of Dumpster & Roll-off service may be evaluated every month (4 weeks) by Solid Waste Personnel.
If a box is not being actively used it may be removed from service.**
